

AIRPORT COUNCIL MINUTES  
April 25, 2017

PRESENT: Paul Middlebrook, Tim Dennis, Taylor Fitch, Doug Marchionda Sr. (PY Flying Club), Rich Leppert (Seneca Flight), Daryl Middlebrook (PY Aero), Doug Paddock, Brian Savage and Shawn Bray (Passero), Spencer Mickelsen and Matt Bragg (Chrisanntha Construction), John Socha, Bob Lawton

GUESTS: Matt Bragg and Spencer Mickelsen from Chrisanntha Construction discussed the close out of the t-hangar project. The water collection problem on the South side of the t-hangar next to the fence has been resolved. The new larger gate to the t-hangars and the electric hook up is still to be resolved. Passero and Chrisanntha will be coordinating on the cost issue.

Minutes of the March 28<sup>th</sup> meeting were approved

The financial report of March 31<sup>st</sup> was accepted

SENECA FBO:

- 1) Seneca Flight has sent out 400 advertising flyers advertising the availability of t-hangers to rent which includes a great sales pitch for the airport.
- 2) Rich has been authorized to repair the panel for the large sign at the Bath road. Rich has also been authorized to look into the cost of a decal with the NEW logo to be placed on the East side of the fuel tank.
- 3) Update on the 5K race for 2017. Rich has the sanctioning body coming tomorrow to measure out the 5K and sanction the race.

PASSERO:

- 1) The Council congratulated Passero on being reapproved as the Engineer for projects at the Airport on a project by project basis.
- 2) The application for the sewer extension project to the airport will be sent out next week. Letters of support will be sought.

OLD BUSINESS:

- 1) Dave Hartman is working on a new directional sign for the airport on the Bath Road.

NEW BUSINESS:

- 1) THE NEXT MEETING WILL BE ON MAY 30, 2017 AT 7 AM.
