

AIRPORT COUNCIL MINUTES
May 25, 2015

PRESENT: Dan Cregan (Passero), Paul Middlebrook, Leigh Sackett, Rich Leppert (Seneca Flight), Taylor Fitch, Tim Dennis, John Socha (Town of Milo), Doug Marchionda Sr.(Penn Yan Flying Club)

Minutes of April 28th meeting were approved

Treasure's Report as of April 30th was approved.

DISCUSSION:

- 1) Discussion took place on the recent Seely aircraft accident. Apparently the notification of the Airport Council Response Team was not activated. The accident shows that more training is needed for EMS, fire and response team and to set up a list of procedures that need to be followed.
- 2) Passero and the County are awaiting a DOT response on resurfacing of Runway 10-28. Council is questioning the bid received that is considerably over the grant of \$97,000.00. The Council is looking at options for the June meeting.
- 3) Further discussion on the interest being charged by Dolomite. Council is continuing to work with Passero to resolve.
- 4) Council moved to award the lighting bid on runway 10-28 to McConnell.
- 5) We are still waiting for NYS grant approval and funding for the new t-hangars.
- 6) Rich Leppert is doing a great job of organizing and preparing for the Collins Foundation War Planes coming to the airport on August 19th – 21st.
- 7) Dan Cregan will look at the resurfacing problems developing on Runway 1-19 after the meeting. The runway was resurfaced in 2014.
