PRICING: We are offering this information free for our first year online. For the future, we are looking into a two-tiered system. One will be free, but without owner names. With owner search capabilities, there will be a yearly subscription fee. The cost will be approximately \$400.00 per year. Subscription information will be added to our site as we near the end of the free trial.

Please call our office at 315.536.5165 or email us at realproperty@yatescounty.org if you have any questions.

Please leave your contact information with our department at anytime, if you would like to be reminded of subscription information when it is available.
